

# Lesson Plans

**Teacher: Sean Coffee**

**Date: Sep 7-10**

## 1st period: Math 6

### Upcoming Due Dates

*September 14: There will be a Quiz on Sections 1-1 through 1-6.*

### Objective SWBAT:

-Understand the properties of numbers and the order of operations

### Monday September 6

-No school

### Tuesday September 7

-Homework due: syllabus

-Activity: Section 1-1, Numbers and Patterns, page 8, #8-13 all; Section 1-2 Exponents, page 12, #12-30 evens.

-Homework: Any unfinished work in class is due tomorrow.

### Wednesday September 8

-Homework due: Page 8, #8-13 all and Page 12, #12-30 evens

-Lecture: Section 1-3, The Order of Operations (Students will take notes)

-Homework: Section 1-3, Page 16, #8-30 evens

### Thursday September 9

-Homework Due: Page 16, #8-30 evens

-Lecture: Section 1-4, Properties of Numbers (Students will take notes)

-Homework: Section 1-4, Page 22, #20-40 evens

### Friday September 10

-Homework Due: Page 22, #20-40 evens

-Short Lecture: Section 1-5, Evaluating Algebraic Expressions

-Homework: Section 1-5, page 26, #10-20 evens; and Section 1-6, page 30, #6-11 all.

*Please Study and Review Sections 1-1 through 1-6 at home. There will be a QUIZ next Tuesday, September 14<sup>th</sup>.*

## 2nd period: Math 7/8 Pre-Algebra

### Upcoming Due Dates

*September 17: Quiz on Chapter 1*

### Objective SWBAT:

-Write an algebraic expression to solve any given problem and add, subtract, multiply, divide integers

### Monday September 6

-No school

### **Tuesday September 7**

- Homework due: syllabus
- Lecture: Sections 1-1 through 1-4 (Students will take notes)
- Homework: Page 8, #10-20 evens; Page 12, #11-19 odds; and Page 20, #14-24 evens.

### **Wednesday September 8**

- Homework due: Page 8, #10-20 evens; Page 12, #11-19 odds; and Page 20, #14-24 evens.
- Lecture: Section 1-5, Subtracting Integers
- Classwork: Page 24, #9-31 odds

### **Thursday September 9**

- Homework Due: Page 24, #9-31 odds
- Lecture: Section 1-6, Multiplying and Dividing Integers (Students will take notes)
- Homework: Page 28, #12-44 evens

### **Friday September 10**

- Homework Due: Page 28, #12-44 evens
- Lecture: Section 1-7, Solving Equations by Adding or Subtracting (Take notes)
- Homework: Page 35, #10-40 evens

## **3rd period:Bible 6**

### **Upcoming Due Dates**

*September 10: Bible Test 1, Romans 5:12*

### **Objective SWBAT:**

- Learn how to write a paraphrase.

### **Monday September 6**

-No school

### **Tuesday September 7**

- Homework due: syllabus
- Activity: Paraphrase 1, Romans 5:12
- Homework: Memorize Romans 5:12

### **Wednesday September 8**

- Homework due:
- Activity: "From the Beginning", Workbook page 3; and "What's Done is Done", Workbook page 4.
- Homework: Memorize Romans 5:12

### **Thursday September 9**

- Homework Due: none
- Lecture and Discussion: "Why Must I Develop Christian Living Skills?", Workbook page 5
- Homework: Workbook page 5

### **Friday September 10**

- Homework Due: Workbook page 5
- Assessment: Bible Test 1, Romans 5:12

## **4th period: Science 6**

### **Upcoming Due Dates**

*Sep 7: Class syllabus signed by both parent and student*

### **Objective SWBAT:**

- Understand Earthquake Waves and the Effects of Volcanoes

### **Monday September 6**

- No school

### **Tuesday September 7**

- Homework due: Syllabus signed
- Lecture: Earthquakes and Earthquake Waves, pages 3-11
- Activity: Workbook page 4
- Homework: Workbook page 4

### **Wednesday September 8**

- Homework due: Workbook page 4
- Lecture: Volcanoes, pages 14-17
- Activity: Workbook pages 9-10 together
- Homework: any unfinished work

### **Thursday September 9**

- Homework Due: Workbook pages 9-10
- Lecture/Discuss: Effects of Volcanoes, pages 20-22
- Activity: Workbook page 14
- Homework: Workbook page 14

### **Friday September 10**

- Homework Due: Workbook page 14
- Classwork: read Textbook pages 3-24, Workbook page 19
- Homework: any unfinished work; Quiz on Chapter 1, pages 3-24 is next Wednesday.

## **5th period: Science 7**

### **Upcoming Due Dates**

*Sep 7: Class syllabus signed by both parent and student*

### **Objective SWBAT:**

- Understand the Scientific Method

### **Monday September 6**

- No school

**Tuesday September 7**

- Homework due: Syllabus signed
- Lecture: What is Science? Pages 2-6 (Students will take notes)
- Homework: Read and Study pages 2-6

**Wednesday September 8**

- Homework due:
- Lecture: Section 1B, "Why Study Life Science?", pages 7-13
- Activity:
- Homework: Read and Study pages 7-13

**Thursday September 9**

- Homework Due:
- Lecture/Discuss: Section 1C, The Scientific Method, pages 14-18
- Activity: Read pages 14-18
- Homework: Page 18, Section 1C Review #1-5 (You must copy down the questions)

**Friday September 10**

- Homework Due: Page 18, Section 1C Review #1-5 (You must copy down the questions)
- Lecture: Section 2A-2B, Why Classify Living Things?; Scientific Names, pages 21-26
- Homework: Read and Study pages 21-26. *There will be a short Quiz on Chapter 2 next Wednesday!*

**6th period: Consumer Math****Upcoming Due Dates**

*Sep 7: Class syllabus signed by both parent and student*

*Sep 8: Class supplies (Binder, tabs, journal are due)*

**Objective SWBAT:**

- Identify and Use Percent, Ratios, Rates, and Proportions.

**Monday September 6**

- No school

**Tuesday September 7**

- Homework due: Syllabus signed
- Lecture: Section 1.1, Rates, Ratio, Proportions; pages 4-5
- Activity: Pages 4-5, #2-26 evens
- Homework: any unfinished work

**Wednesday September 8**

- Homework due: Pages 4-5, #2-26 evens
- Lecture: Section 1.2, Percent
- Activity: pages 8-9, #2-22 evens.
- Homework: any unfinished work

**Thursday September 9**

- Homework Due: pages 8-9, #2-22 evens.

- Lecture/Discuss: Section 1.3, Percent Change, pages 13-14
- Activity: Pages 13-14, #1-27, odds
- Homework: any unfinished work

**Friday September 10**

- Homework Due: Pages 13-14, #1-27 odds
- Lecture: Section 1.4, Operations with Integers
- Homework: pages 21-22, #1-33 odds
