

Lesson Plans

Teacher: Sean Coffee

Date: Sep 26-30

1st period: Science 7

Upcoming Due Dates

Insect Collection is due on Friday, October 21st

This Wednesday is the Chapters 3 and 4 Test

Objective SWBAT:

-Understand the order of cells

Monday September 26

-Homework due:

-Classwork: Section Review 4B, #1-5 on textbook page 62. Write the questions and the answers.

-Homework: Any unfinished work

Insect Collection is due on Friday, October 21st

Tuesday September 27

-Homework due: Section Review 4B, #1-5 on textbook page 62. Write the questions and the answers.

-Classwork: Pages SA37 and SA40 together

-Activity: Science Review Quiz game on Chapters 3 and 4

-Homework: Study for the Test

Wednesday September 28

-Homework due:

-Activity:

-Assessment: **Test covering Chapters 3 and 4**

-Homework: None

Thursday September 29

-Homework Due: none

-Lecture/Discuss: 5A Order among Cells, page 66 and 5B Cellular Respiration, page 68

-Activity: Science Review Quiz game

-Homework: Read and Study Chapter 5

Friday September 30

-Homework Due:

-Lecture: 5A Order among Cells, page 66 and 5B Cellular Respiration, page 68

-Activity:

-Classwork: Section 5A Review Questions #1-3 on page 68

-Homework: Any unfinished work

2nd period: Pre-Algebra

Upcoming Due Dates

Next Thursday, October 6th is the Quiz covering Sections 2-1 through 2-6.

Objective SWBAT:

Perform all operations with rational numbers

Monday September 26

- Homework due: Page 68, #28-56 evens
- Lecture: 2-2, Comparing and Ordering Rational Numbers
- Classwork: Page 72, #10-25 all
- Homework: Any unfinished work in class is due tomorrow

Tuesday September 27

- Homework due: Page 72, #10-25 all
- Lecture: 2-3 Adding and Subtracting Rational Numbers
- Classwork: Page 76, #13-22 all
- Homework: Any unfinished work is due tomorrow

Wednesday September 28

- Homework due: Page 76, #13-22 all
- Lecture: 2-4 Multiplying Rational Numbers
- Classwork: Page 80, #10-18 all

Thursday September 29

- Homework Due: Page 80, #10-18 all
- Lecture: 2-5 Dividing Rational Numbers
- Solve together: Page 85, #1-19 all
- Homework: none

Friday September 30

- Homework Due:
- Lecture: 2-6 Adding and Subtracting Unlike Denominators
- Teach: Page 89, #1-13 together
- Classwork: Page 90, #18-25 all
- Homework: Any unfinished work is due on Monday

4th period: Science 6

Upcoming Due Dates

This Wednesday is the Chapter 1 Test

Objective SWBAT:

Understand the difference between weathering and erosion

Monday September 26

- Homework due: none
- Lecture:

- Activity: Science Review Quiz Game
- Homework: Study Chapter 1 for the test on Wednesday

Tuesday September 27

- Homework due: None
- Activity: Study in groups of four for the Chapter 1 Test
- Activity: Science Review Quiz Game
- Homework: Study Chapter 1 for the test which is tomorrow

Wednesday September 28

- Homework due: None
- Lecture:
- Assessment: **Chapter 1 Test**
- Homework: none

Thursday September 29

- Homework Due: None
- Lecture/Discuss: Weathering and the Rock Cycle, textbook pages 25-29
- Activity:
- Homework:

Friday September 30

- Homework Due:
- Lecture: Chemical Weathering, pages 31-33
- Classwork: Workbook page 22

5th period: Math 6

Upcoming Due Dates

This Thursday is the Chapter 1 Test

Objective SWBAT:

Master the solutions of One-Step Equations

Monday September 26

- Homework due: None
- Activity: Review Section 1-10/1-11 Solving Equations by Multiplying and Dividing
- Activity: Whiteboard Review
- Homework: Study Chapter 1. The Chapter 1 Test is on Thursday

Tuesday September 27

- Homework due: None
- Review: Evaluating and Writing Algebraic Expressions
- Activity: Whiteboard Review
- Classwork: Page 61, #2-22 evens
- Homework: None

Wednesday September 28

- Homework due: None
- Classwork: Page 61, #24-34 evens
- Whiteboard Review
- Homework: None

Thursday September 29

- Homework Due: None
- Lecture:
- Assessment: **Chapter 1 Test**
- Homework: any unfinished work

Friday September 30

- Homework Due:
- Short Lecture:
- Assessment:
- Homework: None
