

# Career Research Paper Information

These areas will need to be researched and talked about in your paper (Each should be a paragraph)

## History of the job

- Were there any pioneers of this field?
- Who are some famous names associated with this career?
- What kinds of demands over time has there been for this career?
- Is there a need for this profession?
- What kind of status in society has this career had over time?

## Rules about getting the job

- What kind of education do you need?
- What are some good schools to go to for this job?
- What majors should you do in college?
- Is there testing or certification needed?
- How many years of education are required?
- What are costs involved (college/tests/living expenses)?

## Job description

- What are a person's duties while in a typical day for this job?
- What are their responsibilities?
- What kind of time obligation does doing this job have?
- What is the pay scale?
- Can you/how do you get promoted?
- Are there retirement packages/benefits?

## Motivations for people to do this career

- What are some reasons that people choose to do this job?  
(ideas: money, status, wanting to serve others, family commitment, possibility of travel, etc.)

## Other areas of your research paper: (each will also be a paragraph)

- Introduction
- Conclusion
- A "how YOU will become someone in this career field"...This paragraph will have "I" in it. Make a path for yourself to achieve this career based off of what you have learned.
- Questions that you now have about this career and questions that you were unable to find information for. Talk about the questions; don't just list them. (must have at least 5 and must talk about them)

*So in all this research paper will have 8 paragraphs.*

## Other areas of this assignment that are turned in **with** the paper

- Language of the discipline (20 vocabulary words that are associated with that job/terminology)
- Works Cited page (a list of all the sources you used to get information from to help you with this research paper)
- Cover Page
- Outline
