

## Essay on “Fear”

In “The Love Song of J. Alfred Prufrock”, Prufrock shows everyone what his greatest fear in life is – rejection. Prufrock lives his life in a way so that he can not set himself up for facing his greatest fear (feeling rejection), even if it means living a dull, boring, lonely life because of the lack of risks.

What is your greatest fear in life? The answer to this question will be your next essay topic. Please examine what your greatest fear in life is and then answer these questions: (paragraph 2) how or why do you think this fear developed in the first place, (paragraph 3) what it makes you feel like when you have to deal with this fear, (paragraph 4) whether or not you believe you will ever overcome this fear and what are some possible steps you can take to overcome it, and finally, (*part of* paragraph 5) what is a Biblical tie you can use in your paper concerning this situation of yours?
