

Hello,

As part of my eighth grade English class at Liberty Christian School, we just finished writing a research paper on a career. Later in the semester I will even be giving an informational speech on my career in front of my classmates. Before that though, our teacher is organizing some "career days" in which I can invite a guest to come visit my class to talk about whatever their career is. Areas that would be of interest to the class are what you had to do to get your job (schooling, certifications, etc.), what you do in your line of work (what's a typical day on the job like), why you picked this career field to work in, and anything else that you might be willing to share with us about your career. I would really appreciate it if you could try and find some time in your schedule to come and talk to my class.

The days where our English class will be turned into "career days" are Thursday January 13th and Friday January 14th. The time of my class is from 11:35am-12:20pm, and you would be able to speak for about five to ten minutes within the class time frame, depending on how many speakers we have.

I'd really love to hear more about your career and my classmates would as well. This will help show us an example of how to give a speech about a career *and* give us knowledge about jobs that we one day might be choosing. If you are willing and able to participate in my class career day, please fill out the bottom portion of this sheet so that I may return it to my teacher no later than Monday, January 10th. Thanks for your support in my education.

Sincerely,

A few pieces of helpful information before the big day:

- Please check in first at the secondary school office where you will be given a guest name tag/visitor's pass
- My classroom is located in the high school building, room 201.
- Please arrive a few minutes early (11:30am) so that as soon as my class begins the career speeches can start.
- If you have any questions please contact my teacher, Sharon Coffee, at sharoncoffee@libertychristian.org, or call the school office at (714) 842-5992.

Yes, I will be able to participate in _____ Career Day.

(student's name)

My name is _____ and the career that I will be speaking about is _____.

The best number to reach me by just in case something comes up would be (____) _____.

The day I will visit the class will be: Check one if you can only make that day, or check both if you would be able to do either day. If you check both, then once everyone has signed up, my teacher will call you and tell you the day that you were placed.

_____ Thursday, January 13th

_____ Friday, January 14th
