

Research Paper - Juniors

This is a cross-curricular assignment that is paired with your Bible class. You will get one grade on the Biblical content from Mr. Pryor and one grade from Mrs. Coffee on the English conventions and writing skills. You will also be picking up requirement grades from Mrs. Coffee during the entire research paper process. Basically, you are doing the same amount of work that you have done in the past on a research paper, but you are being rewarded with a grade on it for two different classes.

Research Paper Topic:

Write an in-depth exegetical paper on one of the following Gospels. The paper will include research on the following: The significance of the letter; Historical and cultural setting of the letter, author, and readers; Literary setting of the letter; an outline of the letter in your own words, and finally, you will choose a parable to dive deeper into. This will require research on any text critical notes and references made and interpretation of the passage based on the entire letter. In essence, "What was the author telling the reader?"

Choices:

1. Matthew 2. Mark 3. Luke 4. John
