Liberty Christian School

Summer Tech Camp

July 19 - 23

Academic

The focus in the **Academic Track** is to build technology competency. Learn all the tools while making fun and engaging projects you will be proud to print and take home. This course will give students a chance to excel in technology among their peers in presentations, reports, and projects.

Academic Track Focus

- Microsoft Word
- Microsoft PowerPoint
- Keyboarding
- Adobe In Design

Academic Projects

Some of the projects available in this track are:

- Restaurant Menu
- PowerPoint Project
- Newspaper Page
- Travel Brochure
- Visit website for more ideas

Camps are limited to 22 campers per session!

Design

In the **Design Track** campers will tackle projects of their choice then learn at their own pace. We will assess camper's skill level and then allow them to create as many projects as they can handle in a week. We can accomplish this with small group sizes for more one on one instruction.

Design Track Focus

- Photoshop
- Web Design
- Video editing
- Graphic Layout

Design Projects

Some of the projects available in this track are:

- Photo Editing
- Design and Create a T-shirt
- Create a web page
- Design a Magazine Cover
- Visit website for more ideas

AGES

3rd – 12th grades recommended
All ages welcome – Adults too!

How it Works

1. **Choose** which track you want to focus on, **Academic** or **Design***
2. **Choose** Morning or Afternoon session.**
3. **Send** in your registration. Be sure to take advantage of the *****Super Saver Deal!** ***

*You can take **Academic and Design** in the same day if you sign up for **both** sessions. (A.M. and P.M)

**You can take the same track twice in the same day (A.M AND P.M.) for more in-depth focus.

Hours

Session A - Mon – Fri 10:00 – 12:00
Lunch break from 12:00 – 12:30

Session B - Mon – Fri 12:30 – 2:30

Cost

*****REGISTER BY MAY 3RD**
ONLY \$50.00 ***
per session (per week)

After May 1st

\$75.00 per session – per week
