

Dear Parents,

updated 9/18/09

The Liberty Christian Elementary Girls' Basketball team began on Tuesday, September 15<sup>th</sup> and we have been having fun and working hard for the first game. As I mentioned in our meeting, our schedule is subject to change because of the needs of the schools in our league. The most **significant change** to this schedule is the **postponement of our first game** against Huntington at home until **October 6<sup>th</sup>**. Below is the revised schedule for the season, including both practices and games. It is expected that all players attend all practices and games within reason. Please notify me if there is going to be an exception. Please also make sure that your child brings **athletic shoes and shorts** to all practices, and water bottles are also suggested. Uniforms will be handed out and it is your child's responsibility to keep it safe the entire season, as well as to have it on game days. An area where I could really use your help would be transportation for our players for the 4 away games. Please let me know if and when you'd be willing to help. If you have any further questions please email me at [revbfero@aol.com](mailto:revbfero@aol.com) . (714) 350-9951

Thank you.
