ABOUT LIBERTY CHRISTIAN SCHOOL

LCS is a private, Christian-based, college-prep school (grades K-12). We have decidedly chosen to not incorporate Common Core into our curriculum, believing traditional approaches to our studies to be the most successful for student growth and development. Liberty students are well-rounded; they are developing their spiritual awareness, physical large and small motor skills, emotional well-being, and academic aptitude towards college pursuits. We also offer L.E.A.R.N. Academy for students with learning disabilities (about 15% each class varies), and our high school has an international student population (under 10%).

- ✿ 15:1 student to teacher ratio on average
- ✿ 20 minutes of homework per subject per night on average (7th-12th)
- ✿ 1:1 Chromebook usage in 2nd-12th grades
- ✿ iPad usage in K-1st grades
- ✿ Fine Arts: Art, Choir, Handbells, Band, Praise Band

CURRICULUM

K-6 academics are based on Bob Jones University Curriculum with teachers adding their own teaching styles and resources, sometimes using web-based enhancements like Seesaw, Classroom Dojo, Spelling City, Epic!, and XtraMath. We also use Mad Dog Math and Accelerated Reader to enhance the curriculum. Elementary electives include Spanish, Library time, Music, Choir, Handbells, Band, and PE with 2 daily recesses and weekly chapel.

7th-12th academics are college-prep and based on curriculum standards and graduation requirements set forth in the former California State Standards (pre-Common Core) combined with “a-g requirements” for the University of California system. Our curriculum publishers range from Bob Jones to Holt, Prentice Hall, and Houghton Mifflin. We also offer robust online courses (BYU online) for advanced students or those who need remediation. Our students have earned competitive scholarships, full-ride military appointments, and prestigious college acceptances nationwide.

GPA and CLASS RANKING

Academic GPA is determined by computing all grades except PE, athletics, and electives. AP and Honors classes are given 5 points on the 4.0 GPA scale.

Total GPA is determined by computing all grades.

Class Rank is calculated on the basis of the student's weighted total GPA, grades 9th-12th, as compared to other members in their class.

Valedictorian and **Salutatorian** is determined by weighted total GPA grades 9th-12th. Students must maintain good citizenship and be an LCS student for at least 3 semesters.

ACHIEVEMENT TESTING

K-8: Spring Terra Nova scores reveal that LCS students last year averaged 4 percentage points above pre-CoVid national averages from 2017.

9-11: PSAT tests are given to 9th-11th grades in the fall. These grades take the PSAT-10 version.

PSAT Average Scores:
